

SOHO THEATRE WARM UP

Unwind from the day or get in the mood for the night with these tipples.
Served from 4.30pm – 6pm

Glass of Prosecco £5

Cocktails £5

The Duchess

The classic Americano. Sweet Vermouth, Campari and soda, topped with an orange twist. Iconic and delightful - like our cabaret stars.

Keep The Doctor (Brown) Away

Apple on apple action: Adnams' Pomme Pom apple liqueur, lemon and lime topped with soda, served over ice. Definitely one of your five a day.

Sunrise

Inspired by Jessie Cave's bitter sweet show, it's vodka, orange juice and grenadine served over crushed ice.

Any Port in a Storm

Refreshing alternative to G&T. White port, tonic and an orange twist. An award worthy chorus of flavours.

Non-Alcoholic Cocktails £5

Triple Threat

Three of the best: Seedlip Garden non-alcoholic Gin, raspberry syrup and sugar syrup with a lemon twist. As sharp as our artists' tongues.

The Darling Hearts

Colder nights need a fiery kick. Seedlip Spice and Ginger Ale served over ice. The 'spice' bit of What Girls Are Made Of.
