

## JOB VACANCY

Bar Assistant – Soho Theatre

September 2025

**Soho Theatre** is London's most vibrant producer for new theatre, comedy and cabaret. A charity and social enterprise, we are driven by a passion for the work we produce, the artists we work with and the audiences we attract. We own our home, Soho Theatre, in the heart of London's West End. A former Synagogue, we raised funds, purchased and redeveloped it, opening it in March 2000. Today it is one of the capital's busiest theatre

and comedy venues, with a year-round festival programme and a buzzing bar. Our roots date back to the early 1970s at the Soho Poly Theatre. Small but influential, Soho Poly was radical and relevant, capturing the excitement and innovation of its time. Today our work is wide-ranging, drawing from this fringe heritage, and adding a queer, punk, counter-culture flavour. We champion voices that challenge from outside of the mainstream, and sometimes from within it too. We value entertainment and a great night out.

We produce and co-produce new plays, work with associate artists and present the best new emerging theatre companies and comedians. We present the early work of countless UK artists (many who become industry giants), and we present many international artists' London debuts. We have a thriving variety of artist and talent development programmes, artists under commission and in development, and two new writing awards including the national Verity Bargate Award for new playwrights.

Work extends far beyond our Dean Street home, with a UK and international touring programme and connections. We present shows and scout talent at Edinburgh Festival Fringe and have close links with the Melbourne International Comedy Festival. We are the UK's leading presenter of Indian comedians and regularly present work there. We film shows and create our own digital work seen across our social platforms, on TV and inflight and streamed from our website.

We recently opened our new second venue in London, Soho Theatre Walthamstow to great acclaim. A culmination of many years of Soho's work, in collaboration with a grassroots local campaign, to save a glorious, 1930s art deco venue with an incredible heritage reinvented as a 960-capacity venue for world-class comedy, panto, performance and participation – a 'local theatre with a national profile'.

Led by a collaborative and diverse senior team and board, Soho Theatre is an exciting place to work with a strong team ethic, fast paced, and with opportunities and intent for staff development and progression.

## OUR STRATEGIC GOALS

**THEATRE:** continue to increase the resource, profile and quality of Soho's theatre and new writing programme; to ensure that this work sits well within Soho's lively cross-genre festival programme with diverse audiences but also carves out the space to breathe and flourish within it.

**COMEDY:** work to ensure that we maintain an industry leading place through thoughtful curation, innovation and always being able to spot the next new talent; ensuring that artists continue to see Soho as a home for comedy and one of the places they want to perform; maintain programming integrity as we grow our audiences through Walthamstow, touring and digital.

**CREATIVE ENGAGEMENT:** grow our pathways for creative participation from early years to adulthood, supporting the next generation of artistic talent; support the growth of creative, connected communities around a new local theatre in Walthamstow.

**WALTHAMSTOW:** successfully open and establish as a 'local theatre with a national profile', working with our key stakeholders of Council and community. Effectively manage the resultant change, organisational growth, and risk.

**AUDIENCES AND DIGITAL:** build our distinctive London brand towards wider and inclusive audiences, with a particular focus on LGBTQ+, South Asian and Waltham Forest; international focus on India as well as Australia and the USA. Continue to build digital audiences and sustainable business models, also moving into specific digital content creation (as distinct from digital capture of live).
